Thank you for your support of Hunters Hill Historical Society.

A subscription for the year costs \$20.

By joining you will help to keep the volunteer organisation going.

You will receive our newsletter Bunk as well as being informed about events such as guest speakers and functions.

Your subscription will assist us to improve the handling of our precious local archives and mount exhibitions at our Museum at Hunters Hill Town Hall. We also need to keep up-to-date with our resources so that we can get on with the job of indexing and conserving over a century of local records.

The Society is working towards the overall aim of making the history of Hunters Hill more accessible.

Yours sincerely,
Tony Saunders
